

Jays teams up with Comply™

The Swedish headphone maker Jays AB (publ) has entered into a cooperation with US manufacturer Hearing Components Inc. as distributor of the renowned product Comply Foam for the Nordic market.

The award winning Swedish headphone maker Jays AB (publ) is now teaming up with the worlds leading maker of foam sleeves, Hearing Components Inc., taking on a role as distributor of its successful product Comply Foam for the Nordic market. Comply Foam is a world renowned earphone accessory enhancing fit, sonic performance and comfort for longer listening sessions for most brands.

"This is truly a perfect brand match", says Rune Torbjörnsen, CEO Jays AB (publ). "We have for a long time used and sold Comply Foam from Hearing Components, since they add value to our own offer as one of the world's leading makers of earphones. Comply Foam is a favorite among audiophiles and this cooperation will provide a better sound, fit and comfort for most earphone brands on the market."
