

Deutsche Bahn awards framework agreement for the development and production of unique tablet cases to bidding consortium

Gothenburg, August 17, 2021 - Swedish accessories specialist Northbaze Group AB, in a bidding consortium with German b2bworkplace GmbH, has signed a framework agreement for the supply of unique tablet cases to Deutsche Bahn AG, including services such as product development and support.

Deutsche Bahn is investing in the digitalization of all work processes. Recently, mobile devices such as tablets have also established themselves in a variety of professional groups in the railway world, which simplifies the everyday life of many Deutsche Bahn employees.

"With our products, Deutsche Bahn is able to ensure many complex requirements of railroad operations and specific regulations for the safety of their employees," says Henrik Andersson Group CEO at Northbaze Group.

Kim Mike Weiler, Managing Director of b2bworkplace GmbH emphasizes "We are very much looking forward to the future cooperation with a world leading mobility and logistics company. The contract award impressively underscores our capabilities in the accessories business for mobile devices."

The contract runs until the end of 2023.
